## THE PONTUAL PLAN

I, Christopher Columbus II (XPOII), the Chief Leader of the Beautiful Nation of the Moon and of the Sun (BNMS) and the Admiral of the Ocean Seas, say the following:

WHEREAS on March 27, 2024, a group of Brazilian jornalists appeared before me at the offices of the Special BNMS Mission to the United States located at 675 W 59<sup>th</sup> Street, 812, New York, NY, 10019, and invoked my presence during a fact checking interview presided by one of the jornalists.

WHEREAS the name of the jornalist who invoked my presence was JORGE PONTUAL (Pontual), a very famous brazilian jornalist residing in New York City as a correspondent for Globo TV of Brazil.

WHEREAS Pontual's invocation was followed by an acknowledgement of my rights, powers and privileges (my "Powers") as Admiral of the Ocean Seas, and an oral motion for action that would display the dignified nature of the official BNMS position that I occupy in relation to certain undetermined issues.

WHEREAS by the book titled as paraphrased, "The Prophecies of Columbus," which book of prophecies prepared by my predecessor specifies that the provision of aid to the Israelites is a priority of the office I occupy as Christopher Columbus II.

Since the middle ages, a plea of indignation has been used as a very bold, effective, and sincere common law form of argument that has been recorded by letters sent to a person

Chief

XPOII

occupying a position of power in the want of a call for an action of relief. Pontual's initial and very incomplete and indirect plea was sincere enough that its lack of substance should not be an excuse for my ignoring his indignation. I deem any defects on the Pontual pleadings cured by this mention.

Although short on the specific type of relief sought and appearing to be addressed to satisfy damages to more than one person aggrieved or to satisfy a desperate need of a group of people other than just a want of remedy for just his own person, Pontual's plea was sufficiently complete—even before being cured by this document—to compel me to investigate his targeted concern or grievance.

Upon a review of several public records online that revealed to me that Pontual has recently showed concern for the current issues afflicting the people of Israel and with my knowledge that determination and approval of provision of aid to the Israeli people so that they may safely move to this continent and be cared for is of my jurisdiction, I hereby...

DECLARE created a plan titled, the "Jorge Pontual Plan", the "George Pontual Plan" or simply, the "Pontual Plan" after the name of its catalizer, an individual known to me as, Jorge Pontual, the famous professional journalist from Brazil; the Pontual Plan shall be executed and paid by appropriations from the BNMS balance at Lower BNMS Bank (LBB). And I...

FURTHER DECLARE that the Pontual Plan is formed by this and by the following five additional documents, its potential amendments, and any other documents that I find to

**THE BEAUTIFUL NATION OF THE MOON AND OF THE SUN**

be necessary to include and that I may amend from time to time, all such documents and future amendments entered by me are herein incorporated by this paragraph:

1. Declaration of New Passover.
2. Order to the Mediator.
3. Order to Participating Isralites.
4. Opinion on Statutory Compliance.
5. Welcome to the New Jerusalem.

And I EVEN FURTHER DECLARE that upon entry of this declaration into the official records of BNMS, a certified copy bearing my digital rubric shall be enough evidence when delivered—via traditional hard copy delivery means or via E-mail or via a text or WhatsApp message—that this declaration is an official document of BNMS and law of the land of the entire American continent that passively subjects all its inhabitants to obedience to the actions, delegations and orders herein declared under penalties equal to the local penalties applied to those who commit high treason in their own local jurisdictions in addition to subjecting such disobedient souls to my utter displeasure and disdain to the highest level allowed to be exercised by me pursuant religious and secular laws.

## DECLARATION OF NEW PASSOVER

I, Christopher Columbus II (XPOII), the Chief Leader of the Beautiful Nation of the Moon and of the Sun (BNMS) and the Admiral of the Ocean Seas, say the following:

WHEREAS this declaration of a new passover (this “New Passover”) supports and is supported by the accompanying Pontual Plan and its supporting documents.

WHEREFORE, without having much knowledge of Jewish religion, law and customs, but since its my obligation and a sincere desire of my heart, I hereby...

DECLARE the following:

1. This declaration is enforceable as law of the land of BNMS and the highest form of law of the American continent notwithstanding any dispositions to the contrary.
2. The bringing of the Israelites to the New Jerusalem is the New Passover.
3. God has commanded me to take care of his Children with a promise that all financial needs would be met to that end.
4. The Israelites are Children of God who have a special covenant, or in other words, a contract with God who I must fulfill.

**THE BEAUTIFUL NATION OF THE MOON AND OF THE SUN**

CHRISTOPHER COLUMBUS II

XPOII

5. The costs for the New Passover shall be paid from appropriations of a special account for the Mediator in Lower BNMS Bank (LBB) in the West Indian Nations Dollar (WIN\$), one of my two banks.
6. I am the leader of BNMS and also the religious leader of my Christian tribe.
7. We believe in Resurrection and we know Resurrection is a literal religious concept.
8. Ressurections are expensive but can be done even now and will be a priority after the beginning of the New Passover.
9. The best way that I found to help the Israelites is to bring them or at least make available to them in hopes that at least some of them will come live on the most beautiful land in the world which is the land of my inheritance, the American continent—where the Israelites may live forever, not as servants but as my own younger siblings.
10. Upon their arrival in the New Jerusalem and after touching or drinking water sprung from the New Jerusalem, from the time the Israelites arrive fully financed by this plan and while in the New Jerusalem and accept to start being called a Christian and until July 27, 2077 (about 40 years from July 27, 2024, plus 13 bonus years), and thereafter as they work and pay, and for as long as the Israelites obey my command and that of my Mediator, they will be happy, prosper, have peace, marry and be given away in marriage by their parents as they and/or their parents choose, live with and be close to their families and relatives as they choose to be, receive bodily protection, be protected from their enemies and from illegal search and seizures, shall have the

right to own property in their own name, be free to attend religious services or not, decide how to invest their own money, be nourished, have the best medical treatments available, eat the best quality foods that they choose to eat, travel wherever they want to travel to, be provided high quality clothing, nice houses, access to christian temples of their choice and as approved by their Mediator, transportation, money to spend to go out to dinner, watch movies, have parties, buy cars, etc., and will never have to work unless they really want to or as needed by the Mediator and always will be paid a fair market rate salary or fee for their services and will not have to pay more than 10% on income tax to the Mediator.

11. The Israelites who desire to work and all Israelites after July 27, 2077, must pay 10% of their income to the Mediator and no other tax other than sale tax, property tax, etc, but no income tax other than the 10% I am mentioning here—and if someone makes the Israelites pay any income tax other than the 10% to the mediator, then the Israelites should pay and then ask me for money back and they will receive a refund from me.
12. The Israelites who come to New Jerusalem will be able to have businesses and be competitive—and will be able to get married to whoever they want to marry and who their families allow—and hopefully they will marry someone who is a member of my tribe, BNMS.
13. I will make the Israelites members of my tribe as children of my Father and as my younger siblings born after my God-Brother and my other Brothers and a day younger than my youngest little Brother.

CHRISTOPHER COLUMBUS II  
Chief

XPOII

14. This New Passover has three parts:

15. **Part A - Protection.**

1. Delegation of a Mediator.

- a. The name of my chosen mediator is an individual named Jeffrey Alan Vinnick (the “Mediator”), an American-born Jew from New York City currently residing in California.
- b. I felt the need to appoint a Mediator who will pay me, and later to my successor, 10% monthly tribute on the profits from his New Jerusalem investments, and only after I give him the money to execute the New Passover.
- c. I might not be regarded by the Israelites in Jerusalem as having the qualifications of offering a passover—which passover of mine shall be offered in Israel and will continue to be offered in this American continent of mine for at least 40 years.
- d. Establishment of a Visible Marking Identifying Participants:
- e. The New Passover will provide the Israelites with special rights from the moment while still in Israel when they take upon themselves my civil name of “Mickey Muniz Barreto” by simply marking their passports with my initials M.M.B. or my first name “Mickey”, or by the sign of my military name which is the sign, “X” or my religious/military initials of “XPOII.”

CHRISTOPHER COLUMBUS II  
Chief

XPOII

- f. Alternatively, if dangerous or illegal to mark their passports with my name, Israelites may wear clothing with my name, or a necklance with my name or my photo.
- g. Penalties for Insults Against Participants:
- h. No one can ever discriminate against the Israelites in the American continent.
- i. No one other than the Mediator can test an Isrealite to make sure they really are a Christian in the New Jerusalem.
- j. Until July 27, 2077, all Israelites who came to New Jerusalem during this New Passover will always be able to appeal any court, civil or criminal, decisions ordered by the Mediator who will have a special court in the Courtes of BNMS to handle cases related to the the Israelites in New Jerusalem.
- k. Recourse from Mediator judicial decisions will be provided by me through the Cortes.

**2. Part B. Passage to the New Jerusalem.**

- a. I am the main heir of the American continent. This American continent is the land of my inheritance, and I have the legal authority to invite anyone who I want to invite to live here under whatever conditions I impose.
- b. It so happens that the land of Jerusalem in the Middle East is also a land of my inheritance, but I am not a Jew, hence another reason for a mediator.

THE BEAUTIFUL NATION OF THE MOON AND OF THE SUN

CHRISTOPHER COLUMBUS II  
Chief

XPOII

- c. Since this American continent is larger and where I have the most legal authority, I am making the American continent be the New Jerusalem.
  - d. Creation of a Temporary (now until 07/27/2027) Trans-Oceanic Passage:
  - e. I am the Admiral of the Ocean Seas and I have the legal power to command the Oceans to open, or to be as dry as barren land, or to allow the Israelites to sojourn over water while at the same time remain untouched by water, or to allow for the Israelites to hover over the Oceans—all these options through a passage that I call the New Passover.
  - f. **The New Passover for those who desire to come to New Jerusalem will only be open until July 27, 2027.**
3. **Part C. Provisions to pass over time until July 27, 2077, and beyond.**
- a. Establishment of a Fund and Appropriations:
  - b. Appropriations for the New Passover will be provided pursuant the Pontual Plan and from 10% of money that I borrowed from my Father and that is an account in Lower BNMS Bank (LBB).
  - c. Order to a Mediator with Regulations for the New Passover who will manage the investment decisions of a fund created by principal amounts of investments by the Mediator.
4. And I ...

THE BEAUTIFUL NATION OF THE MOON AND OF THE SUN

XPOII

FURTHER DECLARE that the Israelites will have to obey regulations imposed by my Mediator, while being able to appeal any decisions by the Mediator to me through the Cortes. And I

...

EVEN FURTHER DECLARE that the participating Israelites shall be declared baptised Christians automatically when they physically contact even one single drop of water by drinking or touching water of the New Jerusalem and after they arrival in New Jerusalem.

All documents of the Pontual Plan shall be bound as one, entered into the official records of BNMS and delegated an official supporting document of BNMS.
